Delivery:

Once you purchase your photos, they'll be unlocked on my website permanently. If you ever lose your files, you can return to your gallery and download them again!

If you'd like your photos delivered via **USB or AirDrop** at Worlds, I'll have them ready for you before the awards ceremony. Please let me know if you would like this option when you pay. I will **not** be mailing USBs this year, so please make sure to pick yours up before leaving the event.

If you don't pick up your photos during the show, you'll be able to view, purchase, and download them from my website beginning **Tuesday, November 3rd.**
